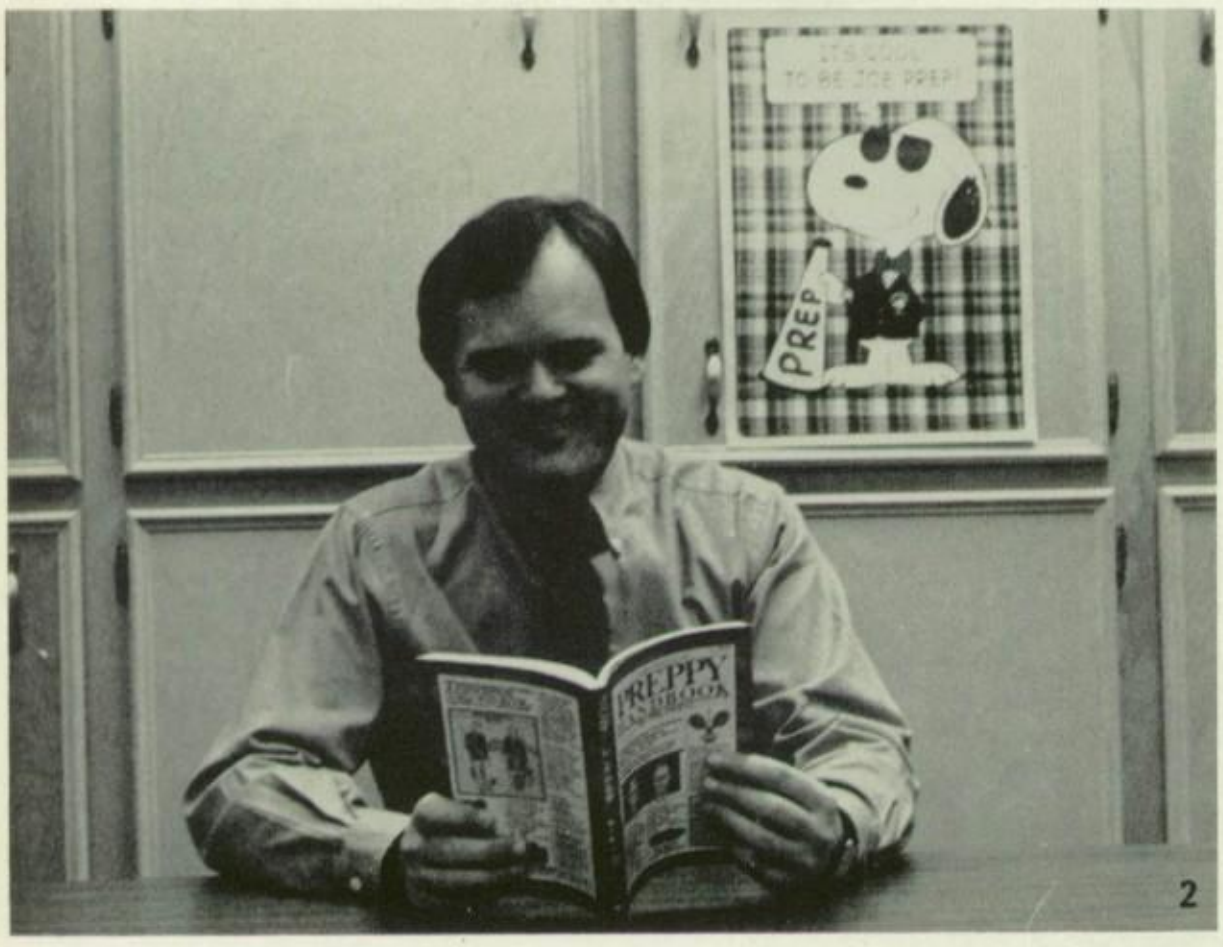
N.H.S. students keep up with trends

Looking back at the fads and fashions of the 81'-82' school year, one could say that the fashions were memories of the past. Many of the styles of the fifties and sixties were coming back. Button-down shirts and loafers were part of the "preppy" style that was derived from the fifties. Also some of the "punk rock" styles, such as mini skirts, that are so fashionable now, came from the later part of the sixties. Although many of the "now" styles were adopted from the past, there are some fads and fashions that are original.



1. Carolyn Brown and Romona Rocquemore show that the "punk" look is IN! 2. The "preppy counselor", Richard Ballenger shows that it is cool to be JOE PREP, as he catches up on the latest preppy ideas in the "Official Preppy Handbook". 3. We look back at 1981-82

1. Sandra Day O'Connor becomes the first woman appointed to the Supreme Court. 2. John McEnroe's Wimbledon victory brings a new freshness to the sports scene.

1981-82 proved to be years of triumph and tradgey. Making the headlines were the assasination attempts on President Ronald Reagan and Pope John Paul II, the realease of the American hostages from Iran, the sale of AWACS planes to Saudi Arabia, the Mediterranean fruit fly, the baseball strike, and the Los Angeles Doggers World Series victory. Who can forget the Atlanta murders of black children, the video craze and frustrating Rubik's cube, cloned mice, and the San Francisco 49ers' proclaimed victory of Superbowl XVI.

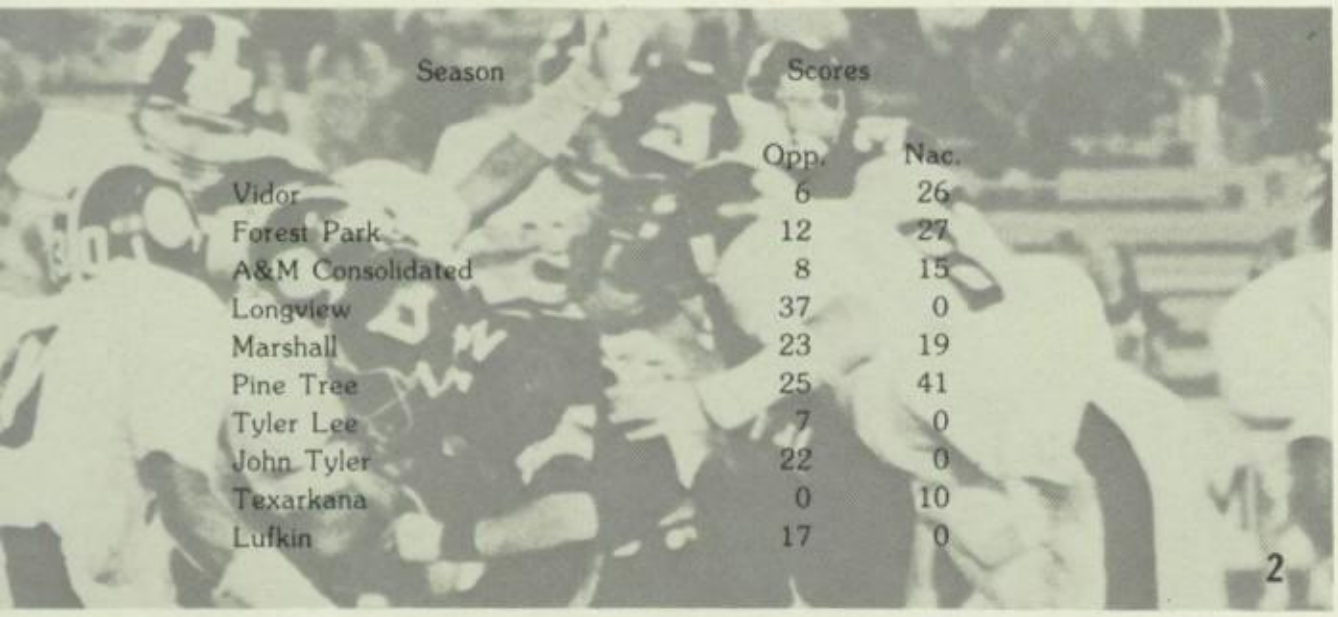
No.20 Hubert Douglas, a 5'4", 142 pound, junior tailback becomes only the second person to rush for 1,000 yards in the history of the Dragons, while setting a new record of 1012 yards surpassing the mark of 1008 yards set in the mid 60's.



The Dragons opened the season with non-district wins over Vidor, Forest Park, and A&M Consolidated.

After an open-date week, the Dragons began the district race traveling to Longview only to be set back by a 37-0 margin. The following week, Dragons came back and fought the Mavericks tough and fell by a score of 23-19. Next in line for the Dragons was the Pine Tree Priates which brought them their first district win 41-25.

The Dragons took the journey to Tyler Lee and unfortunely came home empty handed by a score of 7-0. After two weeks on the road, the Dragons were back at home to face the Lions and were let down by a score 22-0. The ninth game of the season the Dragons were back on the road to Texas High where they ended a loosing streak of 54 years by coming away with a 10-0 win over the Tigers. The last game of the season, the Dragons faced their arch rivalry the Lufkin Panthers and stumbled with a 17-0 lost.

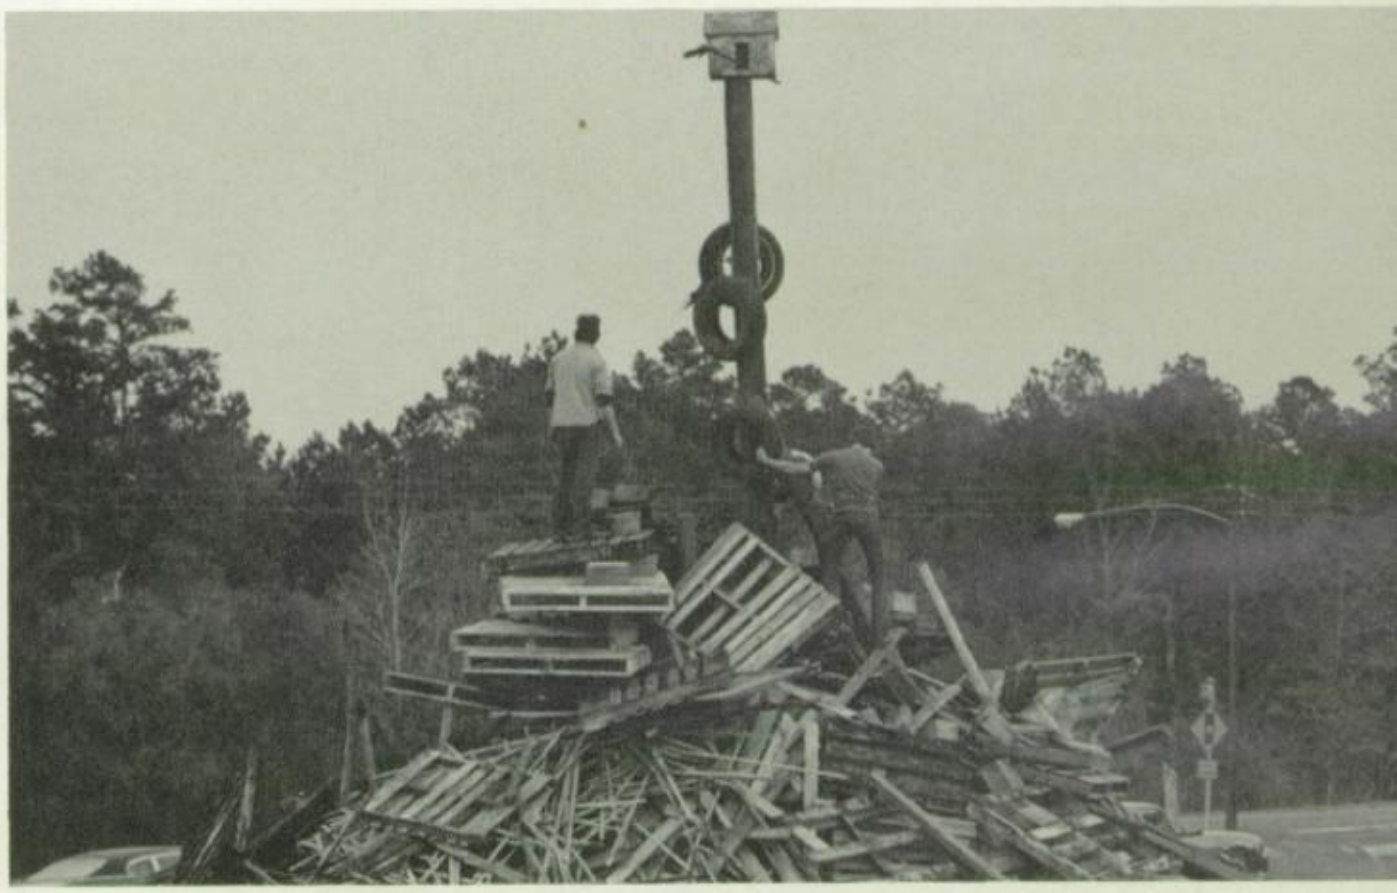
Remember the new



As the Lufkin game approached, seniors began to make plans for the bonfire. It was to be built in one afternoon. Students began working on it when their school day ended in order for it to be completed for the lighting ceremony. Boys went all over town in search for wood, but girls also did their share of helping. Cheerleaders, Drill Team, and Flag Corp performed to songs played by the band. The senior football players lit the bonfire.

Traditionally, the seniors win the spirit stick at the last pep rally. But this year, the super-spirited sophomores surprised everyone by taking this honor. They also won the spirit chain competition. Thousands of connected white paper links surrounded the football feild at the Lufkin game. The sophomores definitely had that Dragon spirit throughout the year.

Freshmen have fun being freshmen.

The senior class of 1985 saw an exciting year. They proved to be one of the most spirited freshman classes in the history of NHS. The seniors '85' won the spirit stick two times, and they also won the spirit link competition. Even though the freshmen did not have cars, they still helped build the bonfire. Many participated in clubs such as Student Council, Rodeo Club, Band, and various other clubs.

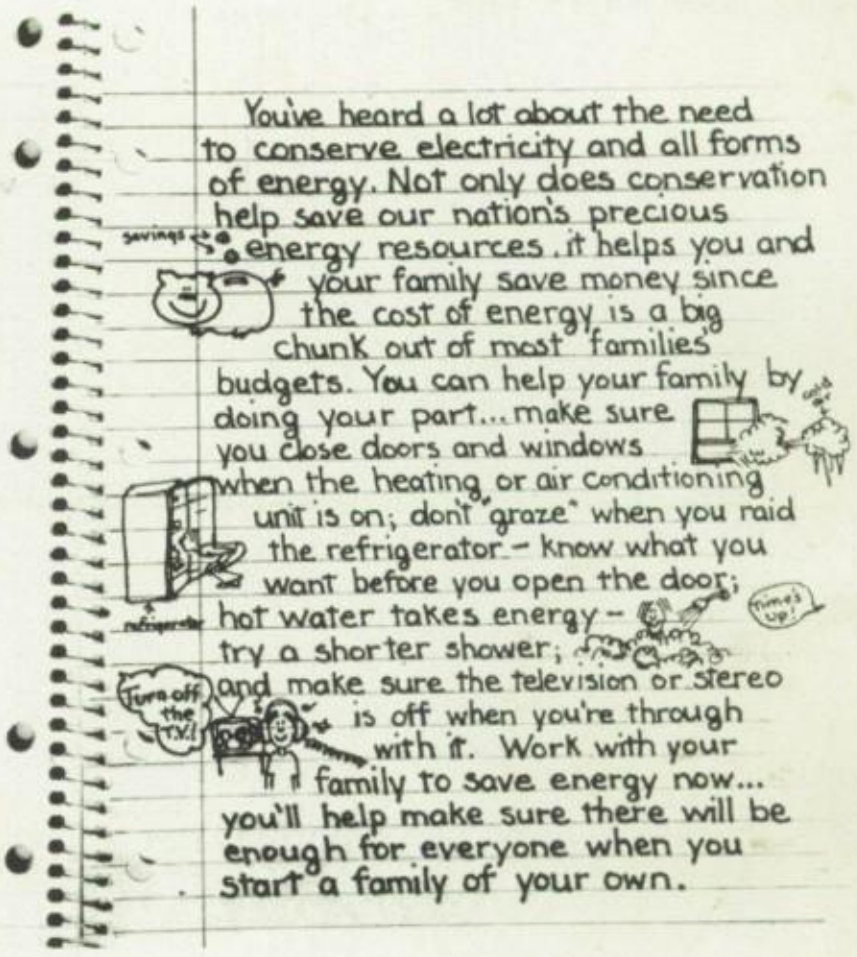
You can help.



You've heard a lot about the need to conserve electricity and all forms of energy. Not only does conservation help save our nation's precious energy resources, it helps you and your family save money since the cost of energy is a big chunk out of most families' budgets. You can help your family by doing your part... make sure you close doors and windows when the heating or air conditioning unit is on; don't "graze" when you raid the refrigerator - know what you want before you open the door; hot water takes energy - try a shorter shower; and make sure the television or stereo is off when you're through with it. Work with your family to save energy now... you'll help make sure there will be enough for everyone when you start a family of your own.

1. Ben Carter, ICP Representative, discusses yearbook plans with the staff. 2. Mrs. Sellers, Book N sponsor, poses for a picture.

February 16 seemed like an eternity but after six months of hard work and many hours of frustration, "Book N" was completed. The memories and experiences are unforgettable and we've done our best to capture these special times in a new and different way. While students were enjoying summer activities, the annual staff was busy selling ads to help pay for the annual. When school started we were faced with deadlines that we thought were impossible to meet, but somehow we managed. Many Sundays were spent at the school finishing our pages and developing pictures. To keep our spirits up, we amused ourselves by watching our soaps, riding bicycles through the halls of the school, singing with the radio, and catching up on the latest gossip. We frequently had live entertainment from Kukshuna and Adriane singing the latest hits from the "Soul Poll". Considering the circumstances the staff has grown closer and shared many unforgetable moments. We would like to thank you for devoting so many hours of your time to make this annual one to be proud of. Mrs. Sellers, we couldn't have made it without you and you deserve a lot of credit. Even though many times the pictures are hard to get, from delays in printing, to problems getting them taken, to errors in developement, the photographers always pulled through. Special thanks go to Ben Carter, ICP Representative, for putting up with us. Many Years from now we'll look back and remember the spirit and emotions that were captured in this yearbook. The staff thanks the student body, the faculty and staff of Nacogdoches High, and the members of the Nacogdoches community who have cooperated in so many ways.

Dream

Silence lined against the walls—
Whispering in the darkened halls—
Bitter tears in stagnant pools
Relflect the souls of of pentent fools.

Crimson blushes burning hot,
Shadowed scholars lost in thought,
Specters grey with outstretched limbs
Faded pictures—dusty, dim.

Quiet murmurs floating through,
Wrinkled violets—indigo blue,
Distant laughter, cries of pain,
Liteless dreams—gutted, slain.

Floating heads with empty eyes
Bloody tears and children's cries,
Silver moon, flourescent beam

A silent, summer midnight dream.

Marie Gardener
Poet Laureate, 1982
